Dear Parents, Carers & Staff,

Welcome to the first term of 2013! We hope that you all enjoyed a great summer holiday and are feeling refreshed and excited about the new school year. We would particularly like to welcome our new families and staff to the school and look forward to meeting you throughout the term.

Members of the School Board and P&C attended a sundowner last week to welcome existing and new staff members to the new school year. With such positive energy and enthusiasm in parents and staff, 2013 is sure to be a great year!

We held our first P&C meeting last Tuesday. It was great to get together to focus on the year ahead and we heard some exciting plans from our music specialist, Miss Carol.

Our P&C meets on the second Tuesday of each month at 7:30pm in the staffroom. Everyone is welcome to attend and contribute ideas or make suggestions on ways to support the school. We encourage you to get involved and warmly welcome you to our meetings. This year, we will be sending home a flier with a further description of our role and how you may like to help.

Our AGM will be held at our next meeting - Tuesday 12th March. Office bearers will be appointed for the new year with the focus of the meeting being our funds allocation. We hope to see you there.

Canteen News - The P&C Committee would like to welcome our new Canteen Manager, Mrs Mandy Muller, to Narrogin Primary School. Mrs Muller has begun getting to know staff and students and is making use of the new equipment (baking trays, knives and lunch baskets) donated to the canteen by the P&C.

Narrogin Primary School Market Day Co-ordinator

On the 3rd Saturday of each month, the P&C hosts a Market Day on the School oval. We charge sellers a small fee of \$10 per stall (stall holders get a free sausage sizzle) and also open our P&C shed in which we have a large range of donated items up for sale. Money raised is donated by the P&C to our school to fund a great variety of resources and projects. Past stalls have included plants, homegrown produce, new and pre-loved treasures of all kinds.

We are deeply grateful for the wonderful job Mr Gary Johnson has done in coordinating our School Market Days however, we need to find a new coordinator for 2013. Gary is happy to share his expertise with the new coordinator(s). If you are interested in taking on this role to support this great fundraising activity, please

contact the school.

Market Day Mega Auction!

In conjunction with our next Market Day, we are clearing our sheds of a huge range of furniture, shelving and many items for a Mega Auction!

All items HAVE to go, so make sure you get down to the Market Day at the school oval.

Open for viewing & registration from 10am.

Come early and check out the stalls at the Market Day, or set up your own and earn some extra \$!

If you would like to assist with this valuable program, or require further details, please contact Jennifer Pollard at the school.

Parent Help Roster - Parent help is vital to the success of the events and fundraising undertaken by the P&C for the benefit of all our children. Our school is lucky to have so many families who willingly volunteer their time. Last year we introduced a roster system which allocated classes to events to provide all parents with an opportunity to assist the P&C to help our school. Events undertaken by the P&C include a lap-a-thon, triathlon, catering for the school musical, set up and pack up at school carnivals etc.

The P&C Committee will notify parents of coming events so that they have plenty of time to organize their class/parent group. (For example if you have been rostered on to help with the school musical a note will go home via your child asking for your assistance and explaining what is required).

Please find a list of events for 2013 below and feel free to contact the P&C or your class representative should you require any further information.
