Welcome everyone to our first newsletter for 2014. The P&C have some exciting things planned this year so be sure to take a moment to catch up on our news.

2013 saw some major changes to our school grounds and it was with the P&C's help that much of this was achieved. One item that no one can miss was the addition of our spider climbing frame. The children are thoroughly enjoying this new piece of equipment in their playground. Last year also saw the removal of the wooden bridge and the relocation of the gazebo. As you can imagine to achieve these things requires the help of many. If you are interested in becoming involved, and would like to contribute ideas or make suggestions on ways to support the school, we would love to welcome you to our meetings.

Pictured on the climbing frame are some of our student councillors;

Lap-a-thon - 9 April 2014

The P&C Lap-a-thon is on Wednesday 9 April. Come dressed as your favourite sporting hero and get ready to run some laps and help raise money for projects around your school. There will be music lots of fun activities and prizes on the day. Keep a look out in the school newsletter for the special meal deals that will be available from the canteen. Parents and siblings

Narrogin Primary School Market Day

On the 3rd Saturday of each month, the P&C hosts a Market Day on the School oval. We charge sellers a small fee of \$10 per stall (stall holders get a free sausage sizzle) and also open our P&C shed in which we have a large range of donated items up for sale. Money raised is donated by the P&C to our school to fund a great variety of resources and projects. Past stalls have included plants, homegrown produce, new and pre-loved treasures of all kinds. We would like to thank our Co-ordinators for 2014, Dean and Christie Fitzgerald and their family for all the work they do to ensure our Market Days are a success.

Dates for Market Days

April 19	July 19	October 18
May 17	August 16	November 15

Helping out in 2014

The P&C donate an amount each year to supply hats to new students, along with money to the library for new books. We will continue this together with our donations towards Graduation and Book Awards. We will also be purchasing a further 10 iPads for our school. This will enable more students to actively join in rather than having to share. The Canteen committee have kindly agreed to purchase a trolley specially designed to store and charge the iPads.

We are a small committee of volunteering parents. Our main objective is to co-ordinate fundraising that benefits the school and our children. Some examples of our fundraisers are

- Quiz Night
- Footy Raffle
- Lap-a-thon
- Triathlon
- Catering
- Setting up sun shades
- Student discos
- Father's Day Breakfast

As in the past, we are asking the parents of each class to be responsible for a particular P&C activity. These jobs aren't big or laborious but more hands make less work and it's a great chance to socialize and meet other parents. Your assistance also entitles you to passport dollars. Each class will be

notified of what their activity will be once they have been allocated.

Swimming Carnival

Thank you to the following parents who have already helped our school by setting up sun shades at our recent Swimming Carnival.

Brenton Hayes
Glenn Rowe
David Halstead
David West
Bill O'Neill

Congratulations to all the students who competed and won awards at the Swimming Carnival. Good luck to those students selected to represent our school at the Inter school Swimming Carnival.
