SAFETY HOUSE – CAN YOU HELP?

The local schools, with the support from the Police Department, would like to establish the Safety House Program back in Narrogin. Safety House is a community based "Good Neighbour" program of volunteer householders who want to provide support and safety for any young children in need of help. The school is seeking any parent, guardian or community members who are keen to be involved in this initiative. We are aiming to form a small committee of people to help establish and then drive this initiative in the town. If you are interested in joining the Safety House committee, or are seeking additional information, please contact Miss Kellie Atherton using the schools contact details.
