In the Pursuit of Excellence

From the Principal

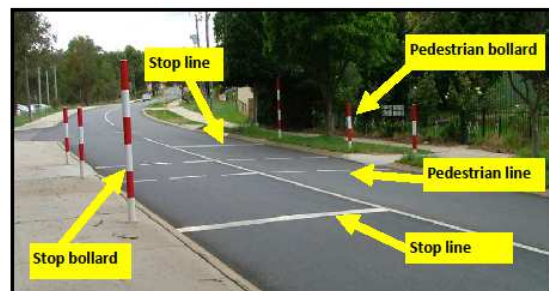

A special welcome to Louise McKenzie who is undertaking a 2 week practicum in Ms Conlon's room, Miss McKenzie's final day will be this Friday.

We also welcome Jess Howe-Smith and Katrina Kirby who will both complete their 10 week practicum at our school. Miss Howe-Smith is assigned to PPS and Miss Kirby is at the Kindergarten with Mrs McDougall and Ms Dolkens.

REVIEW OF PEDESTRIAN CROSSING WILLIAMS ROAD

A recent review was conducted of the Williams Road pedestrian crossing. We are pleased to have been informed that we will maintain a manned crossing for at least another 5 years. Several concerns were noted during the review:

- Speeding - Narrogin Police will be targeting the speed of traffic in the vicinity of this crossing.
- Vehicles encroaching into the crossing area - no stopping is permitted on or over the line of the crossing.
- Parking is **not** permitted in the signed No Standing Zones.

NAIDOC DAY CELEBRATIONS

We are celebrating NAIDOC day with a variety of activities to be held on Tuesday 1 August 2017. Firstly, years 1-6 will be attending the Combined Schools NAIDOC Assembly, to be held at Narrogin Senior High School. After the assembly, your class may participate in some Indigenous activities and games. Thank you to Miss Atherton, Mrs Bicknell and Mrs McDougall for organising these activities.

BOOK IN A DAY

Narrogin Primary School is entering three teams into the Book in a Day competition which supports The Kids Cancer Project. On Thursday 10 August, each team will be working hard throughout the day, to write, illustrate and publish a book. Each group needs to work together and raise \$240 prior to the book writing day. If you would like to help out and can spare a few dollars please go to the following link. <https://writeabookinaday.com/teams> Our teams are called Narrogin One, Narrogin Two and Narrogin Three. Your support would be greatly appreciated.

SCHOOLS WEATHER WALL

Mrs Byway's Year 1 Class is participating in the GWN 7 Schools' Weather Wall this term. They will be recording and submitting temperatures and rainfall measurements, which means we have 10 chances to see our school's name on GWN 7 News!
