NAIDOC DAY

On Wednesday 3 August, Narrogin Primary School celebrated NAIDOC week. We began the day with the year 1-6 students going to Narrogin Senior High School to attend the NAIDOC assembly held in the gym. The students were well behaved and represented our school wonderfully. In the afternoon 2S ran an activity circuit where students got to participate in traditional Indigenous games. Students also got the chance to learn how to make damper. After every class had participated in the activities, the students all got to eat the damper they had made. A lovely afternoon was had by all. Special thanks to Mrs Coxon and Mrs Lange for making the damper with almost every student in school, Mrs Ings, Mrs Bradford and Mrs Wilkie for cutting and distributing the damper, the amazing ladies in the office, pre-primary and junior cluster for putting the damper in the oven, the ladies from KindiLink for their help and particularly to the students in 2S who did an amazing job of teaching everyone the Indigenous games and Kayel, Tynan, Leon, Colleen and Ashanti for their dance and braiding skills. Without the help of everyone, the day would not have been possible.

COUNCILLORS' CORNER

On Friday, we chose faction captains for our upcoming athletic carnival. Because of some absences we will have to confirm some positions this week. We have already begun practicing for our runs and team games. Thanks to every-one who participated in Jeans for Genes Day, we raised over \$100 for the cause. Don't forget to get your entry in for talent night and keep practicing.

BLOW AWAY HAY FEVER
and get on top of **ASTHMA**

Hay fever can make asthma symptoms worse and can trigger an asthma flare up.

If you have asthma and experience symptoms of sneezing, watery eyes, and an itchy nose, it is important to talk to your pharmacist about the right medication to manage both your hay fever and asthma to breathe better.

80% of people with asthma also experience hay fever.

ASTHMA WEEK 1-7 SEPTEMBER For asthma information and support call 1800 ASTHMA (276 462) or visit www.asthmaaustralia.org.au.
