AUSSIE OPTIMISM

Research Project with Curtin University

We are very excited to let you know that the school is taking part in a research project with Curtin University. The research will be carried out in schools across the Wheatbelt in terms 2 and 3, and will look at how well the Aussie Optimism programs work in schools like ours. The Aussie Optimism program will be run by our teachers in years 1, 2, 3, 5, and 6 and will teach students about feelings and how to be more positive.

An information booklet will be forwarded to parents of students in years 1, 2, 3, 5 and 6 later next week. Pre-testing will be conducted by university staff in late March. Parents are asked to please read the letter and return the consent form to the school as soon as possible.
