INTERSCHOOL CARNIVAL

Last Friday, March 18, our school participated in the annual interschool carnival. It was held at the Williams Swimming Pool it was the first interschool carnival with Williams and it was fantastic. I am pleased to announce that Narrogin Primary School won the day overall. We had an enthusiastic team of competitive swimmers who gave every race their best effort. It was great to see our younger swimmers dominate in the pool. Willow West, in particular, was an outstanding swimmer on the day!!

Congratulations Narrogin we tried hard as a team and cheered each other on!! Williams Primary School is to be commended on winning the Handicap Shield on the day.

A big thankyou to Deputy Principal of Williams PS, Mr Cowcher, for organising a successful carnival. Thanks to all the parents for participating and helping out at the carnival. Well done to all the schools for swimming your best and representing your school in the best way, particularly the good sportsmanship!!! The interschool swimming carnival was a great success and well done to all the runner ups and champions!

We are already looking to joining Williams again in the District Cross Country. **Kobe Hayes ~ Head Boy**

PAPER PLANES

On the 16 March Mrs Bicknell's class, our class and Mrs Heil's class went to the Narrogin Leisure Centre where we were joined by Dylan Parker and some students from other schools. Dylan was talking about all the different paper planes you can make. It was so amazing and we even got to make some!

Shannelle Taylor 4/5 C

Last Wednesday NPS, East Narrogin and Yealering School went and met Dylan Parker the man who made the Paper Planes Movie. When we were there we saw some of his planes, and we got to make some. Dylan showed us videos and pictures of people who made planes and also his stingray he made.

Bridhy Forrest 4 H

There was a Paper Plane competition. We were given 15 minutes to create two planes to fly in the competition, some did the same planes they were shown by Dylan and others created their own. On the floor there were prizes spread out and everyone took turns and anyone who hit a prize got the prize. The three furthest from each school went into the finals. A boy from East Narrogin won the biggest prize of all, a helicopter!!

Lilli Beresford 4/5C

Finally, it was time to head back to school but Mrs Hayes from East Narrogin came to find some people to go on the radio and I got chosen. The radio host asked us some questions and then we went back to school. I really had a great day and have learnt a lot about paper planes with Dylan.

Maddie Andrews 4/5 C

Dylan first told us of the history and the development of Paper Planes. Then he showed us how to make two very cool paper planes, my favourite was the first one which is called a squarasaurus.

Hanna Jagan 4/5C

One of the best paper planes was the raptor. Sadly I didn't get in the finals but Fletch, Vincent and Jerome did. Well done boys!

Tyler Rowe 4/5 C

Dylan threw the paper planes into the air and WOW! He told us a bit about how the paper planes stay in the air and how they fly.

Emma O'Neill 4/5 C

On Wednesday we went to the Leisure Centre and the guy who talked to us name was Dylan Parker. He makes different Planes. We had a go and it was easy then some did the competition. I thought it was fun.

Ella Borthwick 4 H

On Wednesday 16/3 4H and other schools went to the Narrogin Rec Centre to compete in the paper planes competition. We met Dylan (pilot) who showed us some different paper planes, the 'squareteratops' and 'dart' planes. After the people who weren't in the competition went back to school and everyone else had 15 minutes to make our planes and throw them. If you hit the prize or your plane went the furthest you won it. Then we all went back to school. *Lexi Ashton 4 H*
